Terms: Our Power Plan Memberships are for a period of 3 years. VIRGINIA POWER Solutions will notify you, the customer, when your generator is due for service per the plan you choose. Generators under warranty requiring covered repairs will be submitted to the manufacturer by us for reimbursement, including dispatch fees. If repairs are needed, customer will be provided an estimate for approval prior to any repairs being performed. Members receive a 10% discount on all parts and labor. Monthly payments for Power Plan Memberships will automatically bill your credit card or ACH each month for 36 months. Annual payments will automatically bill your credit card or ACH every year for 3 years. At the end of 3 years, your membership will automatically renew for 3 years. To cancel this agreement, VIRGINIA POWER Solutions must receive a written cancellation notice within 30 days of membership expiration date.

**** Propane Tank Monitoring Equipment not included, but is available for an additional charge. Ask technician for more details.**

I authorize **VIRGINIA POWER Solutions** to set up my Three Year Power Plan Membership with the selection I made above.
